#### 2000 @ Forum vs Apoel

The 2000 team again found it hard going against one of the power houses of Cyprus football and despite their effort for large parts of the first half were unable to stop Apoel from recording a comfortable victory.

#### 2000 @ Forum vs Thoi Lakatamias

It was the same old story unfortunately for the 2000's again as Thoi Lakatamia showed their superiority and managed to win rather easily. Everybody did their best but unfortunately Thoi were too strong.

#### 2000 @ Forum vs Omonoia Nicosia

Unfortunately, the Arsenal team that travelled to the Forum school came up against a formidable team in Omonoia and possibly the best in the league in that age group and were beaten a resounding 16-0. Coach George couldn't fault any of the players commitment and special praise goes out to Christos Makris and Marina Kinani for their great effort.
